Job Description

Exciting opportunity available for a resilient candidate who can solve problems with out-of-the-box thinking MINIMUM REQUIREMENTS

• Bachelor's degree in Logistics, Supply Chain Management, Business Administration, or a related field. Advanced degree or professional certifications (e.g., CSCMP, CSCP) preferred.
• Proven experience in logistics management, with a minimum of [3-5 years] in a supervisory or managerial role in the FMCG sector.
• Strong knowledge of logistics operations, transportation modes, and supply chain best practices.
• Excellent analytical and problem-solving skills, with the ability to make data-driven decisions.
• Exceptional communication and interpersonal skills
• Strong leadership abilities, with a track record of building and motivating high-performing teams.

DUTIES AND RESPONSIBILITIES

1. **Supply Chain Management:** Develop and implement strategies to optimise the supply chain, including procurement, inventory management, and distribution.
2. **Inventory Control:** Monitor inventory levels and forecast demand to prevent stockouts and minimise excess inventory. Implement systems for accurate tracking and reporting of inventory data.
3. **Warehousing and Distribution:** Oversee warehouse operations, including layout optimisation, storage organisation, and order fulfilment processes. Ensure compliance with safety regulations and quality standards.
4. **Customs and Compliance:** Ensure compliance with import/export regulations, including documentation requirements, tariffs, and trade agreements. Stay informed about changes in regulations and implement necessary adjustments to procedures.
5. **Cost Control:** Analyse logistics costs and identify opportunities for cost savings through process improvements, route optimization, and negotiation with service providers.
6. **Team Leadership:** Manage a team of logistics professionals, providing guidance, training, and support to ensure high performance and productivity.
7. **Continuous Improvement:** Drive continuous improvement initiatives to streamline processes, enhance efficiency, and increase customer satisfaction.

GENERAL The above mentioned duties reflect the position's essential functions but does not contain all of the tasks that will be assigned. Should you not receive a response within one week of applying, please consider your application unsuccessful. Please use reference **# Warehouse Manager email your CV to: hr@theflavourlab.co.za**
